Isola pizza bar located in Little Italy

## Family Traditions

Now open in Little Italy is Isola Pizza Bar, the first restaurant in San Diego by acclaimed chef Massimo Tenino. Created from Tenino family recipes and made with double zero flour imported from Italy, Isola's pizzas are hand-tossed and baked al forno a legna, in a wood-burning oven. Pair one of 15 pizza options with wine from Tenino's family-owned winery in Italy, and follow it up with homemade gelato. For more information visit [isolapizzabar.com](http://isolapizzabar.com)
